BUILDING A BETTER FUTURE THROUGH NEW HOMES

**WELCOME TO
NORWOOD FARM,
A STUNNING NEW
DEVELOPMENT,
ON THE OUTSKIRTS
OF THE POPULAR
VILLAGE OF HARPOLE
IN NORTHAMPTON**

ABOUT SHARED OWNERSHIP

Buy your Norwood Farm home through Shared Ownership.

Your dream home is more affordable than you may think with Shared Ownership.

Shared Ownership means you can purchase part of your home and then pay rent on the remaining share. Typically, you can purchase 40-75% of your home, but lower shares are available.

What's more, Shared Ownership is flexible, and allows you to increase your level of ownership over time if you choose to.

Whatever your looking for, we have a wide selection of homes perfect for whatever your needs.

Buying through Shared Ownership at this development means you can purchase between 10-75% of your property and pay a subsidised rent on the remaining share you don't own.

HOW IT WORKS

STEP
1

Buy the first share in your new home

STEP
2

Pay rent on the remaining share

STEP
3

Buy more shares in your home later

DID YOU KNOW?

Shared Ownership offers great flexibility, and you can purchase more of your home through staircasing whenever you are ready too.

An early bird reservation allows you to secure your prime plot for only **£150** before the release of prices and date of entry.

Early Bird reservation's are a great way for you to secure the home that you have your heart set on. Whether it offers ample space, a kitchen/diner of your dreams or you simply want the security of knowing that you are able to secure Shared Ownership at the development of your choice, reserving early can give you peace of mind.

How does it work?

Once you've chosen your home from the plots released on the table, our Sales Team will provide you with a guide price (*please note, this is subject to change*). You'll be asked to complete an application form - this is a typical requirement of the Shared Ownership process. Once we've received your application and you have passed the required affordability assessment, it's time to pay your reservation fee of £150.

When the time comes, we will contact you to let you know that your home is now for sale, and we'll provide you with the price of the home (*this may differ slightly to the guide price*). You will then have 3 working days to decide if you would like to continue the process of buying that home.

What happens next?

Once your home is available for sale, if you choose to proceed with buying the home, we'll convert your Early Bird reservation to a full reservation and you will be required to pay a further £100 to make up the full reservation fee of £250.

If you change your mind and decide you no longer wish to proceed, we'll refund you the full amount of your Early Bird reservation.
