ABOUT SHARED OWNERSHIP

BUY YOUR FOREST WALK HOME THROUGH SHARED OWNERSHIP

Your dream home is more affordable than you may think with Shared Ownership. Shared Ownership means you can purchase part of your home and then pay rent on the remaining share. Typically, you can purchase 40-75% of your home, but lower shares are available. What's more, Shared Ownership is flexible, and allows you to increase your level of ownership over time if you choose to.

Whatever your looking for, we have a wide selection of homes perfect for whatever your needs.

Buying through Shared Ownership at this development means you can purchase between 10 - 75% of your property and pay a subsidised rent on the remaining share you don't own.

HOW IT WORKS

1 BUY THE FIRST SHARE IN YOUR NEW HOME.

2 PAY RENT ON THE REMAINING SHARE

3 BUY MORE SHARES IN YOUR HOME LATER

DID YOU KNOW?

Shared Ownership offers great flexibility, and you can purchase more of your home through staircasing whenever you are ready too.
