A man and a woman are standing in a bright, modern hallway. The man, on the right, is wearing a green polo shirt with blue and white vertical stripes and is smiling while holding a white document. The woman, on the left, is wearing a black top and a purple patterned scarf, and is also smiling and looking at the document. The background shows a hallway with white walls and doors.

BUILDING A BETTER FUTURE THROUGH NEW HOMES

At Platform Home Ownership, we're passionate about building quality homes for our customers and creating communities that homeowners can be proud of. It's our mission to build a better future for the UK - investing in affordable homes to ensure accessible routes to homeownership for everyone.

BUYING THROUGH SHARED OWNERSHIP

BUYING YOUR CHANTREY PARK HOME WITH PLATFORM HOME OWNERSHIP

Your dream home is more affordable than you may think with Shared Ownership. Shared Ownership means you can purchase part of your home and then pay rent on the remaining share.

Typically, you can purchase 40-75% of your home, but lower shares are available. What's more, Shared Ownership is flexible, and allows you to increase your level of

ownership over time if you choose to. Whatever you're looking for, we have a wide selection of homes perfect for whatever your needs.

Buying through Shared Ownership at this development means you can purchase between 10-75% of your property and pay a subsidised rent on the remaining share you don't own.

1

BUY THE FIRST SHARE IN YOUR NEW HOME

Purchase an initial share typically between 10% and 75% with a 5-10% deposit on that share

2

PAY RENT ON THE REMAINING SHARE

Pay subsidised rent on the portion you don't own, often below market rates

3

BUY MORE SHARES IN YOUR HOME LATER

Increase ownership through 'staircasing' buying additional shares as finances allow
